

So Fetch & So Clean
Dog Grooming

Aggressive Dogs

Owners **MUST** inform me if your dog bites, has bitten, is aggressive, unpredictable and/or has any other behavioral issues, especially when being groomed. If me or another dog is seriously bitten, you will be liable for any potential medical/veterinary fees, out of work compensation as well as any and all property damage. I have worked with aggressive dogs for many years and have had veterinary training on holds and techniques. I will make every attempt to groom an uncooperative dog however, I may not be able to finish the groom if the dog poses a threat to themselves, other dogs or any persons. **I reserve the right to muzzle any dog for their safety and mine. A fee starting at \$10.00 will automatically be added to any dog(s) showing these behaviors.**

Extremely aggressive and unruly dogs **WILL NOT** be groomed. If a dog is felt to be exhibiting behaviors that are unsafe, the owner will be contacted and the dog must be picked up immediately. I have the right to refuse grooming service or stop grooming services at any time before, during, or after the dog is dropped off. **Owners will be charged a fee dependent on work completed up to that point.**

A prescription sedative from your veterinarian may be required to help sedate and relax your dog during grooming. **BENEDRYL IS NOT A SEDATIVE! It is strictly for allergies and will do nothing to sedate your dog during grooming.**

CBD and anxiety supplements/treats may only calm a dog so much and for so long. There is no way to predict how a dog will react on these types of supplements/treats so **I will not except them as a way to calm a dog with behavioral issues.**

Grooming can take a long time and can be very overstimulating for dogs. If I feel your dog may benefit from a RX, I will let you know at pick up. **Please make me aware if you gave your dog anything when dropping off.**

*My number one policy is "**Humanity Over Vanity**" meaning I will not cause pain, discomfort or risk injury to a dog of myself for an owners self interest and I reserve the right to refuse service to any person(s) that*
