

Pricing

Pricing varies based on the services requested and each dog's breed, size, coat type, coat length, coat/skin condition, temperament, and/or special handling needs.

All quotes given are base price estimates only and are not final until after the groom is completed.

Payments

All services must be paid in full upon completion of the groom at the time the dog is picked up. Dogs will not be returned to their owner until payment has been completed. If dogs are left in my care for the day or over night due to non-payment, a daycare fee or boarding fee will be applied and varies by the dogs size.
